Item Bank

Total Marks: 50

(Multiple Choice Questions)

Instructions for Teachers

1. This is an oral paper and consists of five sections. Each section consists of five Multiple Choice Questions (MCQs). Each question consists of five marks. All questions carry equal marks.
2. The teacher will get coloured printed copy of the paper.
3. The teacher will ask two questions in random from each student from each section and ten questions in total from the paper.
4. After asking the question and its options from the student, the teacher will give 20 to 50 seconds to think and answer the question.
5. If the student is unable to understand the question, the teacher may rephrase the question and ask the question in his/her own words.
